Local Link Longford Westmeath Roscommon are continuing to provide transport service for the above facility for the coming year. The operation of transport has changed because of the current situation with COVID-19. We will be working closely with the above facility to provide a safe transport solution to your Child(ren).

The following must be observed by Parents and or Guardians: -

- Children displaying symptoms of COVID-19 or those who have been a close contact of a positive case of COVID-19 are **not** allowed to travel on Local Link services.
- Children must wait at the designated stop (on the way to and from the facility) observing social distancing. A Parent / Guardian or facility staff must be at the collection point / drop off point when child is being picked up or dropped off.
- Prior to boarding the vehicle, hand sanitiser must be applied, this is the responsibility of the Parent or Guardian (on the way to the facility) and facility staff on the way from the facility.
- On boarding the vehicle, the child must go straight to their seat and must enter the vehicle in order of loading to reduce the possibility of have to cross another child's path.
- On alighting the vehicle, children must exit the vehicle in the opposite way i.e. last in first out.

Currently the use of face coverings by under 13 is not required, but this may change in the future or a become a requirement of the above facility. If the wearing of face coverings becomes a requirement it will be the Parent / Guardians responsibility to ensure that each child has a face covering and is wearing before the child alights the bus.

Please ensure that the above facility has your contact details as you will need to be contactable if your child reports symptoms while on board our bus or during the day.
